

Golf Course COVID19 Safety Protocol

Access & Booking

To access the course, a player must:

- Have been in the country for over 14 days
- Not be in self-isolation or displaying COVID-19 symptoms
- Have made a booking in advance (including all members)
- Provide a telephone number and e-mail address to allow contact tracing

Arrival

- Golfers should travel alone, or with members of the same household
- Arrive no more than 15 minutes prior to the reserved tee time
- Valet Parking will not be available
- Ample car parking is available in hotel car parks so players should park with an adequate distance between vehicles to allow for social distancing
- Register at the hotel Mansion House Reception window, located under the hotel portico.
- Rental clubs will not be available for the time being, so players must bring their own sets
- Buggies and Trolleys will not be available at this time

Golf Operations

- Access will not be permitted to any hotel buildings and the wider estate, other than public footpaths
- Toilets will be available on the Ground floor of the Club House only. These will be thoroughly cleaned throughout the day
- Locker rooms will remain closed, players will need to change their shoes in the car park
- The Driving Range will remain closed

On the course

- Golfers must adhere to the social distancing rules at all times, maintaining a minimum distance of 2 metres
- There will be 15 minute intervals between tee times, with a maximum of two players permitted at one tee time
- Pin flags should be left in throughout the round with the ball removed by hand, with a golf glove on
- Please do not pick up another player's club or ball, or make contact with their golf bag or trolley
- Please do not use the litter bins; players will need to take their own litter home
- To avoid course congestion, if a ball is lost or unplayable golfers must not go back to play the hole again
- Snacks and drinks will be available from the Mansion House Reception window, all payments must be made via card
