

Ashdown Park

HOTEL AND COUNTRY CLUB

DOGS WELCOME!

For many dog owners and their four-legged companions, the chance to take a short break away together in a hotel is often a rare one.

We pride ourselves on being able to offer luxury accommodation, professional service and a picturesque location for everyone to enjoy, including your dog!

To make your stay more pleasurable, we have put together this information sheet which details everything you need to know to enjoy a relaxing break with your dog here at Ashdown Park Hotel & Country Club.

Walks on the Estate

A map of walking trails within our 186 acre estate is provided in your room. If you require further information then please contact the Concierge desk. For your convenience, two dog bins are provided on the estate.

Please feel free to roam all areas of the estate, but we ask you to be mindful of other guests and golfers on the main course, putting greens and driving range.

Please be aware that we have an abundance of wildlife on the estate, with a large herd of deer. The deer can become aggressive towards dogs if tormented. If your dog is prone to chasing other animals it is advised you keep them on a long leash at all times.

Dinner

On arrival you will be asked for your dog's dinner preference. We offer a choice of chicken breast or grilled fish, freshly prepared to order.

Dining

There are various options for dining in the hotel with your dog. The room service menu is available throughout your stay and we can also arrange for the Table d'hôte menu to be served in your room during Restaurant opening hours. Alternatively we may be able to offer a small private dining room within the main hotel (subject to availability).

To respect other guests we do not allow dogs in the Drawing Rooms, Anderida Restaurant or Fairway Lounge. In warmer weather, you are welcome to dine with your dog on the main hotel terrace.

We are able to arrange a dog-sitting service (subject to availability). Please contact Reception.

Arden Grange

We are delighted to be able to offer some complimentary dog goodies, courtesy of Arden Grange, a family-run business that has been developing superior, premium food for cats and dogs since 1996. Please feel free to take these away with you.

Etiquette

We respectfully ask that you do not allow dogs onto the furniture and be mindful of other guests when around the hotel and estate. We also request that dogs are not left alone in your room.
